Hi All in San Pedro - Can you help provide the following info as it relates to the World Stage:

We need to get the CAC estimates for the following by Friday AM (10.14)

- Total individuals benefiting (total audience)
- Total artists participating:
- Youth benefiting

We can provide estimates for the totals we plan to have involved through DEC. 31.

Can you please help provide some detail as soon as possible.

I realize that there is a quick turnaround here, so thanks for what you can provide by Friday morning.

Talk soon!

Ben

P.S. This is overview document of all final events as well as attached.
